NEWS YOU MAY HAVE MISSED

Please return your 2010 School Satisfaction Survey by May 1st. It is **imperative that these are turned in**, because they reflect on our School Performance Framework Score, which is how the district ranks all schools. The more surveys returned, the better we do on this portion of the scoring.

Bring in your mismatched silverware! We are collecting metal forks and spoons in the classrooms until we get enough to use at lunch. **Our goal is to have the cafeteria generate only compostable waste** which will be taken by a composting service to reduce our impact on the landfill. Please send them in with your kids soon, so we can go greener!
